WHY TRY PHOENIX?

Many people come to Phoenix after they have tried a few other treatment programs. Phoenix's young adult program is unique because it offers everything clients may need in one place, including a medical clinic, a supportive community, and care from a multi-disciplinary team including addictions physicians, psychiatry professionals, primary care doctors, nurses, counsellors and therapists. We also offer Opioid Agonist Therapy and have an onsite pharmacy.

Our knowledgeable and nonjudgmental staff are available 24/7 on site. Phoenix's aftercare team works with every client to ensure that they have what they need on their journey after they leave.

Our strengths-based approach and trauma-informed practice support individuals on their journey to greater wellbeing.

HOW TO PARTICIPATE

If you or someone you know is interested, reach out today to admissions@phoenixsociety.com. A referral is required, but the Phoenix team is here to help you navigate this process. You can download a referral form and client participation form at the link in the QR code.

Phoenix offers a pre-admission meeting via phone or video conference to answer any questions you may have. Get in touch with our team for any support needed.

WHAT TO EXPECT

Once enrolled, clients work directly with Phoenix Intake Specialists to understand exactly what they can expect before arriving for the program. Our team lets clients know what they can bring to treatment and walks each person through the admission process.

We work hard to make it a stress-free process and ensure everyone has the support they need. Our team is always available to answer questions and talk about what to expect ahead of arrival.
